

FOR YOUTH

## INFORMATION SHEET

### INTRODUCTION

The Unfinished Story for Youth (TUSfY) course is designed for young believers, helping them form a biblical worldview that sees participation with God on mission as an exciting adventure and what it means to be a follower of Jesus. It gives an overview of the biblical, historical, strategic, and cultural aspects of God's mission.

### PURPOSE

Through five video-based sessions, this course helps young people discover how they can be part of God's Story as He writes its final chapter. By the end of the course young people will see that being a part of God's redemptive mission to all the peoples of the world is the main reason why we are here on earth and that they have an important part to play in that.

### FORMAT

This course is designed to be conducted within a small group setting (in a local church's youth discipleship program, Christian youth organizations or campus ministries). The recommended format is one night a week for five weeks. Each session goes for one hour and 30 minutes.

### CONTENT

The course content is divided in five sessions:

1. God's Story
2. Christianity as a Movement
3. The Task Remaining
4. Discipling Nations
5. Our Journey on Mission

The package also includes a workbook, inspiring and interactive videos, small group discussions and exciting activities.
